I can still taste you on my lips  
I can still feel you touchin'  
I can still hear the whisper in my ears

I can't forget you

I can still remember  
When you held me in your arms  
Like there's no tomorrow  
No tomorrow at all

I can still remember  
The way we used to dance  
On the edge of life

You fill my senses

Can't forget you  
Can't desert you  
Can't stop  
Thinking about you

Can't forget  
Can't desert you  
Can't stop  
Thinking about you

I can still see you in my eyes  
I can still feel you in my arms  
I can still hear the whisper in my ears

I can't forget you

I can still remember  
The things you used to do  
Do to me so gently

I can still remember  
The way we used to dance  
On the edge of life

You fill my senses

Darling

Can't forget you  
Can't desert you  
Can't stop  
Thinking about you

Can't forget you  
Can't desert you  
Can't stop

I can still..

Can't forget  
Can't desert you  
Can't stop

Thinking about you  
Thinking about you
