### VERSE 1

Uh... they said I'd never do it  
Girls said I always blew it  
Never fell in love  
So who's cupid  
The haters look stupid  
Try to take my talent  
And abuse it  
I could be the best it's just time to prove it  
Haters hear my music and laugh  
But they girls pleasure themselves with it  
During a bubble bath  
So now they sad  
I'm doin what I do  
Booking shows too  
Doin good  
Now my ex's face is blue  
My 15 minutes of fame is past due  
It started may 13th 1992  
So tell the distractions I'm goin to the top without you  
And all them fake girls  
I forgot about you

### HOOK

Do I need a hook for this joint  
People never looked  
And now they all point  
In amazement  
And I'll throw this money up  
And let em catch it on the pavement

### VERSE 2

Mo-Rush is the buzz  
I'm taking pics cuz  
You was at the top  
Now I'm where u was  
I'm climbin the ladder  
Yo pockets are gettin flatter  
The girls are gettin badder

I seen fame and waved at her  
I'm making moves no uhaul trucks  
Stuffin my bags in tour bus trunks  
Doin it smooth tho  
Aint know me before  
Heard my songs and now they know  
Riders wont zip down my pants but still blow  
I run against the wind  
You just go with the flow  
I'm shinning now  
No windex on glass  
Smart to but  
Sat in the back of class  
I'm famous now  
So people show up from my past  
Screaming thank you to the ones that believed in me  
Names range from A-Z also girls who brought out the  
best in me  
Keeping it real no plastic  
Never smoked  
So don't know how to pass it  
Hung out with a lot of girls that let me put my candy  
In they basket  
Something like easter  
I had em doin flips  
Lucha libra or con ceester  
Not waiting on time I'm going to get what's mines

#### HOOK

Do I need a hook for this joint  
People never looked  
And now they all point  
In amazement  
And I'll throw this money up  
And let em catch it on the pavement

#### VERSE 3

Show me the critics silence all  
But my ringtone volume still bangin  
Contact info out  
My phone still rangin  
Duncan on ya tim  
Then I'm hangin on the highest rim  
A lot of people told me I need to experience the college  
life  
Naw  
I'm chillen with Zach and Cody living the sweet life  
Never messed with temptation  
Because she trife

Watching what I do I don't want a bad wife  
I'm winning the game I'll never trail  
I went to high school and took fame  
And never failed  
So you thought another dude was gone beat me watch  
em take my place sike

HOOK

Do I need a hook for this joint  
People never looked  
And now they all point  
In amazement  
And I'll throw this money up  
And let em catch it on the pavement
