VERSE 1-

I'm a artist no paintbrush
Once I walk in girls yell
I am legend no Fresh Prince
I am king now here ye this
Ask ya girl what's wrong
It's Mo-Rush I can't leave him alone
I want him to take me home
Now I rip this song
Something like paper to a shredder
Yea they say I get the party live
Which means I'm better than you
Go hard or go home
I guess I aint got a curfew
I'm in the building tell ya crew to come threw
I told em to rate it
You hate
Because I made it
You cool but you faded right
That's ya girl but ask her who she leaving with tonight
Me right?
AKA the best
Very funny no TBS

HOOK- (x1)

I am so hot
So why I'm feeling so cold
Word gets out that I'm here

Simon said jump

The crowd got up
He said put ya hands up
The crowd went nuts
You can get this or you can get that
What you got a feeling fo
This party crazy no straight jacket it seems
