Heartless love  
Or jus E V O L backwards

Ready for this life  
Hell naw I need no wife because

My music comes 1st  
And the one above  
I got it I got it I got ( x3 )  
This heartless love

#### VERSE 2-

Heartless love  
No questions no beep  
You cant have mines to keep  
Talking bout her heart  
Go to the doc and pull out her chart  
I stole christmas  
Because my heart was 3 sizes to small  
I said heartless love is what its called  
You wanna connection  
I just wanna ball till I fall

No slip-n-slide  
Reel you in like a fish outta water  
If you wanna come to my side  
You need medicine  
I am what the doc ordered  
You need a heart

You couldnt get mines for a quarter

HOOK ( x2 )

VERSE 3-

So I guess you thought this was a sad song  
But check it I got my Mr. Swag on  
And if anybody thought I did something wrong  
Rated R dont get mad  
Im grown  
This is more than a game  
This is love that you taking about  
This maybe me to take in  
When I tell her to open up her mouth ha  
Valentines day is my fav hoilday  
Because I get girls GPS's  
Which direct them to come my way  
So all the single girls you know where I stay  
And where I stay is where you will lay  
Wont mess with her if she got a STD  
But I got something  
That a blind girl could see

HOOK ( x2 )
