Every day has a choice
You can make for yourself

Morning is here
Bringing you openness
Every day
Is an unwritten page

Don't you believe me
It's more than you say
Don't you believe me
It's your own freeway

It's your turn to choose
Don't try to explain
Joy and pain
Your turn to choose
Twisting between
Joy and pain
Joy and pain

If you walk out this door
On your freeway once more
I've told you before
This is unwritten page

Don't you believe me
It's more than you say
Don't you believe me
It's your own freeway

It's your turn to choose
Don't try to explain
Joy and pain
Your turn to choose
Twisting between
Joy and pain
Joy and pain

Your turn to choose
Don't try to explain

Joy and pain
Your turn to choose
Twisting between
Joy and pain
Joy and pain

Every day has a choice
You can make for yourself

Every day has a choice
You can make for yourself
