Yo I was chillen in the mall
The middle of the mall
Chillen wit a black beauty brawd
She can do what she want to
I'll tell ya what I want ya to... do
Boo slide ova here
Give me some of that round brown
Bring that thang down
I'll have ya speakin in other languages
Like Ron Browns ha
Wit no autotune
I got ya screamin like a fuckin ool
Jus think about it
I'm so cool, you
Jus a tool
What's UP NA BRO insider
Ya girl so nasty I wonder what's insider her
Ha back in preschool I use 2 play Poke e mon
And peek at chu ha lol Jk
Remember to tell ya girl I love the way
That booty sway
Oh yea ya girl gave me face
Remember 2nd place dnt win no race
I'm a judge and boyfriend #2 I close ya close
