The last hope  
I grab the rope  
Playing tug a war with my emenimes  
They tryna pull harder tho  
But I still win  
How do they cope  
Fake people ask  
Do u remember me mo  
I cut em off with a quick nope  
Crushes used to rip up my'love notes  
Now they tryna get some fame  
I tell keep high hopesss  
And dreams  
My confidence says my future is forseen  
More things  
Bright lights night seems  
Bussnazz life tuxedo tight seems  
My life is what it seems to you  
I dooo  
Chill with my feet up  
An enjoy the sky blue  
I tell my bros I got u  
These lyrics I spit are all true  
To my haters I'm ahead of you...  
Tryna take trips to places I already flew  
37's
