Translated:

A chance meeting can change your whole future
Believe in miracles, things will work outÂ...
ItÂ's gonna be OK!

ThereÂ's just one thing so important you canÂ't entrust
it to anyone ---
ThereÂ's only one chance, reach out for it ---
tomorrowÂ's too late

Forget about yesterday when all you could do
was hug your knees and sighÂ... believe in yourself.

* Maybe it will turn out fine, yeah, so IÂ'm sure it will
turn out fine
Your chance is right in front of you ---
ItÂ's fineÂ... itÂ's sure to be OK!

Maybe it will turn out fine, yeah, so IÂ'm sure it will turn
out fine
For the dream that never endsÂ...

From the moment you give up, even luck will escape
from you
Just have fun until the pressure builds too high andÂ...
ItÂ's gonna be OK!

ThereÂ's only one rule --- cowardice is not allowed
ThereÂ's only one chance to try --- gamble your life on

this game...

Just keep running on the rails for someone ---
I know you can't settle for being satisfied with where
you are...

** You're always full of dreams... don't worry
about anything
It doesn't matter if they don't come true ---
Everything's perfectly OK!
You're always full of dreams... don't worry about
anything
Ride the wave you've been waiting for...

Even if you're just hugging your knees and sighing
And can't see the answers, believe in yourself...

Repeat * twice
