[Feat. Karina Chavez (Safari Mix)]

Ohhhhhhhhhh woh woh woh woh yeh yea yeh you've
got to show me love [2x]
Heart breaks and promises
I've had more then my share
I'm tired of giving my love
And getting no where no where
What I need is somebody who really cares
I really need a lover
A lover that wants to be there

It's been so long since I touched a wanting hand
I can't put my love on the line
That I hope you understand

So baby if you want me
You've got to show me love
Words arn't so easy to say aloud
You've got to show me love

I'm tired of getting caught up
In those one night affairs
What I really is need somebody
Who will always be there
Don't you promise me the world
All that I've already have
This time be for me baby
Actions speak louder then words

If your looking for devotion talk to me
Come with your heart in your hands
Because my love is guaranteed

So baby if you want me you've got to show me love
Words arn't so easy to say aloud

Show me show me baby
Show me show me baby
You've got to show me baby
Show me show me baby
Show me show me baby

Show me the love show me the love
You've got to show me [4x]

Show me show me baby
Show me show me baby
You've got to show me baby
Show me show me baby
Show me show me baby
I need some one who cares
Show me baby
