you look like a man
i knew once or twice,
so pale, so lovely,
your eyes black like ice

you look like a man,
I've see here before,
so tired and alone,
with your wasted allure

leave me now,
just leave me now,
close the door
all my time's run out,
leave me now,
leave me now,
time is good,
all my time's run out

you look like him,
same dark black eyes,

oh just last year,
i watched him die.

you look like him,
quiet and alive,
I've left behind pain,
I've lived behind life.

leave me now,
just leave me now,
close the door,
all my time's run out

leave me now,
just leave me now,
my hope is gone,
all my time's run out

leave me now,
just leave me now,

hope is gone,
all my time's run out
