Oh oh  
I like it  
I like it a lot

Oh  
I like it a lot

Oh  
I like it a lot

I liked it  
I liked it a lot

Step there  
Sooner or not  
Right there  
There on the ground

Did I say I liked it?  
Yes you did  
Did I say I liked it?  
Yes you did

I like that  
I liked that a lot  
I like that  
I liked that a lot

I like everything about you  
I like everything we try  
I like everything we did then  
I liked it so good inside  
So good inside  
So good inside

I liked it  
No, I liked it a lot  
I liked it  
One way to go

Take this  
You did it a lot

It's better  
Better then once

I liked that  
I liked that a lot  
I liked that  
I liked that a lot

Did I say I liked it?  
Did I say that now?  
Did I say I loved it?  
Did you understand?

Did you get it right now?  
Did it make sounds?  
Did it feel good now?  
Did I say I liked it?

I liked it a lot  
I liked it  
I liked it a lot

Did I say I liked it?  
I liked it a lot  
Did I say I liked it?  
You know I liked it a lot

I liked that  
I liked that a lot  
I liked that  
No, I liked that a lot

I like that  
I liked that a lot  
I like that  
I liked that a lot
