"Into The Blue"

All alone, I open my eyes

Wild ride
Hold your fire
I'm not about to die
Keep back
Let in some air I dare lie down
To stare at the sky
I am wide open
Reaching forever
I fly into the blue
I am wide open
Reaching forever
I fly into the blue
Flat mark
High tide
Frantic to stay afloat
Stay calm
Let in some air I dare lie down
To stare at the sky
I am wide open
Reaching forever
I fly into the blue
I am wide open
Reaching forever
I fly into the blue
]from above
I am so small
So fast
I move I move
The light the light
Here comes the tide
I am wide open
Reaching forever
I fly into the blue
I am wide open
Reaching forever
I fly into the blue
With water surrounding me
I am wide open
Reaching forever
And I fly into the blue

Into the blue
I am wide open
I am wide open
Reaching forever
Reaching forever
I fly
I fly into the blue
I am wide open
I am wide open
Reaching forever
Reaching forever
I fly into the blue
Into the blue
I am wide open
I am wide open
Reaching forever
