One of these mornings won't be very long
You will look for me and I'll be gone
One of these mornings won't be very long
You will look for me and I'll be gone

One of these mornings won't be very long
You will look for me and I'll be gone
One of these mornings won't be very long
You will look for me and I'll be gone and I'll be gone

And I'll be gone and I'll be gone
And I'll be gone and I'll be gone and I'll be gone
You will look for me and I'll be gone and I'll be gone

You will look for me and I'll be gone and I'll be gone
You will look for me and I'll be gone and I'll be gone
You will look for me

One of these mornings won't be very long
You will look for me and I'll be gone
