If I was beautiful  
If I had the time  
They'd flock to me  
Bathe me in the wine  
I know that's not the way  
I know that's not how things are to be

My baby left  
My baby left  
Gone gone  
Gone gone

I was always looking  
And I held until the time began  
Subtle things come at me  
I look to see where loss had ran  
I can have the sun it come  
And touch me on my shoulder  
Think of all the things that I could  
Wish that I had told her

I fly so high  
Then fall so low  
(I fly so high)  
(I fly so high)

If I was beautiful  
If I had the time  
You would flock to me  
And bathe me in the wine

I know that's not the way  
I know that's not how things are to be

If I was like you  
With nothing to get around  
Then everything would be beautiful  
As far as I could see  
You'd be sitting here with me  
'Til love's end

I fly so high

Then fall so low  
I fly so high  
Then fall so low

Signs of love  
(I fly so high)  
Away we could run  
(Then fall so low)

I can see the light come peering through the sky in my  
mind  
(I fly so high)  
Crazy people come and look at us we're lying on the  
floor  
(Then fall so low)  
I would hold you in my arms until we both are home  
I would hold you in my arms until we both are old
