All that we needed, was right
Les ombres ce soir nous menacent

Open to everything happy and sad
Seeing the good, meme si tout va si mal
Femmes au soleil quand la nuit nous accable
Oh, pour un jour croire aux dieux croire aux fables
Focus on everything better today
Crier la vie quand tout autour se tais
Hold on to people they're slipping away
Hold on to this while it's slipping away

All that we needed, tonight
Are people who love us, and life
Je sais les douleurs et les doutes
Oh, partir et ce qu'on redoute
Oh siiiii

Open to everything happy and sad
Seeing the good, meme si tout va si mal
Femmes au soleil quand la nuit nous accable
Oh, pour un jour croire au dieu croire aux fables
Focus on everything better today
Crier la vie quand tout autour se tai
Hold on to people they're slipping away
Hold on to this while it's slipping away

so long

Mais l'ombre...
