Heaven
A gateway to hope
Just like a feeling
I need, it's no joke

And though it hurts me
To see you this way
They traded by words
I'd never heard
To hard to say them

Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go
home
[2x]

Oh it's the last time, it's the last time
Oh it's the last time, it's the last time

Each way I turn
I know I'll always try
To break the circle
That has been placed round me

From time to time
I find our lost
Semeaning
That was urgent

To myself
I don't believe

Oh, up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go
home

[2x]

Oh it's the last time, it's the last time
Oh it's the last time, it's the last time

And I have never met anyone quite like you before
And I've never met anyone quite like you before
[2x]

And I've never met anyone quite like you before
Oh, up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone, to find my soul desire to go
home

And I never met anyone quite like you before
Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone, to find my soul desire to go
home

Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go
home
[2x]
