Where were you when I was lonesome?  
Locked away with freezing cold  
Someone flying only stolen  
I can't tell this light so old

I don't wanna swim the ocean  
I don't wanna fight the tide  
I don't wanna swim forever  
When it's cold I'd like to die

What was that, my sweet, sweet nothing?  
I can't hear you through the fog  
If I holler, let me go  
If I falter, let me know

I don't wanna swim the ocean  
I don't wanna fight the tide  
I don't wanna swim forever  
When it's cold, I'd like to die

I don't wanna swim forever  
I don't wanna fight the tide  
I don't wanna swim the ocean  
When it's cold I'd like to die

I don't wanna swim the ocean  
I don't wanna fight the tide
