Go down, you wicked men  
Go down, you wicked men yeah  
I say go down, you downpressors

I and I nah fight down policemen  
I and I nah fight no soldierman  
I and I a decent rastaman  
And I and I a fight against corruption

So Jah pays everyone according to his props yeah,  
yeah  
So you must go down, you evil wicked men yeah, oh  
yes

You fight against Jah Jah righteous ones, yeah  
And you take away Jah Jah people's happiness  
So you must go down

I and I a fight down brutality, yeah  
'Cause I don't like wickedness can't you see  
I'm a decent rastaman

And I and I nah fight down policemen
