Nightmare of the tears
Never ended... In my time
Live me in my dream,
Dreamed me with my tears
Live me in my scream,
Screamed me with my fears
End of my dream... Then come the tears
End of my scream... Then come the fears
I live in dream every time
Dream of the fears
Dream... In restless dream... In the fears time
In the nightmare of the tears
Time... Come to the end of sweet dream
Starry night is gone... I wish to be free
Nightmare of tears
