All I see - is washed away

I am the voice - left from drinking

I celebrate - my love for you

Into the calm - saying I believe

That all the bitterness will last for hours

Maybe - I would blind the girl

Who is drowning - in the silence

She turns the grey - into a cold stare

Into a storm I have to be

Wake up to anger and mixed emotions

In the sun - I will come - to see Barbados

In the sun - I will come - to see Barba-a-a-dos

In the sun - I will come - to see Barbados

In the sun - I will come - to see Barba-a-a-dos

All I see - is washed away

Ooh, I am the voice - left from drinking

I celebrate - mmm, my love for you

Into the calm - saying I believe

That all the bitterness will last for hours

In the sun - I will come - to see Barbados

In the sun - I will come - to see Barba-a-a-dos

Woh-oh, to see Barbados

In the sun - I will come - to see Barba-a-a-dos

To see Barbados

In the sun - I will come - to see Barba-a-a-dos

To see Barbados

In the sun - I will come [fade]
