I can do anything yeah anything 'cause God's in me  
All things that used to be so hard for me to set free are  
gone  
I can do anything just look at me i hope you see  
A true reflection of His perfect love come rise above  
with me  
I can do anything through Jesus Christ who gives me  
strength  
I can do anything through Jesus Christ who gives me  
strength  
I know I have to stay both in His word make time to pray  
I tried it on my own was so alone couldn't find my way  
home  
I can do anything through Jesus Christ who gives me  
strength  
I can do anything through Jesus Christ who gives me  
strength  
I can do all things-i can do all things  
I can do all things-with Christ in me  
I can do all things-i can do all things  
I can do all things-with Christ in me
