as long as your gone,
i can't apologize
for all the things that i haven't said and done
And 100 miles is a long drive inside a car
200 miles is a long drive inside a car
300 miles is a long drive inside a car
400 miles is a long drive inside a car
500 miles is a REAL LONG DRIVE INSIDE A CAR
600 miles is a long drive inside a car
700 miles is a long drive inside a car
800 miles is a long drive inside a car

900 miles is a long long long long ways in a car
1000 miles is a LONG DRIVE INSIDE A CAR!!!!!!!
1100 miles is too far inside a car
I wrote my name on the sun(?)
hey alright i might be goddamned
a life of arctic sounds
hey alright i might be goddamned
all the sad comedians
hey alright i might be goddamned
[repeat]
i might...be...goddamned.
