How do, how do you do?
My name is you
Flies, they all gather around me and you too
You can't see anything well
You ask me what size it is, not what I sell (Hahaha)
The flies, they all gather around me and you too

Well, I don't want you to be alone down there
To be alone down there, to be alone
Yeah, I don't want you to be alone down there
To be alone down there, to be alone

Well, the Devil's apprentice he gave me some credit
He fed me a line and I'll probably regret it

I don't want you to be alone down there
To be alone down there, to be alone

Ah... ah... ah... ah
Ah... ah... ah... ah
Ah... ah... ah... ah

I don't want you to be alone down there
To be alone down there, to be alone
Yeah, I don't want you to be alone down there
To be alone down there, to be alone.
