Well, I might be a lot of things but I won't be ignored
When I see you coming, the chariots of the Lord
Well, the pale horses are riding and the Judgment
Day's at hand
And I'm waiting for the good Lord to take me by the
hand

Hey Isaac, this is Spencer
Um, I'm calling about, uh, going to Montana
Um, so you need to give me a ring here
And so we can work out some of those details
And stuff 'cause it could get kind of hairy or whatever
So, uh, give me a call, alright then, bye, bye
