I'm down on the water
(I'm down on the water)
I don't know so I don't bother.
(I don't know so I don't bother)
Looking out the window of my dad's old Chevy.
(Lookin' out the window of my dad's old Chevy.)
Eats a lot of gas cause it's that more heavy.
(Eats a lot of gas cause it's that more heavy.)
I'm down on the county line and,
(We're all down on the county line.)
We're all screamin' Carolina.
(We're all screamin' Carolina.)
I'm down on the water.
(I'm down on the water)
We don't like what we just saw but...
(We don't like what we just saw but...)
I can't swim so I dog paddle.
(I can't swim so I dog paddle.)
I can't swim so I dog paddle.
I eat? (?) inside it feels like murder.

I can't swim so I dog paddle.
I can't swim so I DOG PADDLE.
I'm down on the water.
(I'm down on the water)
I don't know so I don't bother.
(We don't got no meat to swallow.)
Lookin' out the window of my dad's old Chevy.
(I can't swim so I dog paddle.)
Eats a lot of gas cause it's that more heavy.
(...?)... inside it feels like murder)
I'm down on the county line and.
We're all singin Carolina.
(I can't swim so I dog paddle *[repeated]*)
We're down on the county line again.
We're all screaming Caroline again.
What you say and what you want again.
You can't get it cuz you don't get it. No.
(i'm down on the water..)
