You're standin' by the grey ice water
Out in the wind above the ground, out in the weather
You had yourself a crazy lover
Becomin' frozen, trying hard to forget her

You got a job up in Alaska
It's easy to save what the cannery pays
'Cause there ain't no way to spend it

You're standin' by the grey ice water
Out in the wind above the ground, out in the weather

You had yourself a crazy lover
Becomin' frozen, trying hard to forget her

You took the path of least resistance
On the phone, cutting out talking
Short to long distance

At home on a boat, at home it's a fish trap
At home on a boat, it's a fish trap
At home on a boat, it's a fish trap

On the Arctic blast
On the Arctic blast
On the Arctic blast
