As long as you're gone,
I can't apologize
for all the things that I haven't said and done

And 100 miles is a long drive inside a car
200 miles is a long drive inside a car
300 miles is a long drive inside a car
400 miles is a long drive inside a car
500 miles is a REAL LONG DRIVE IN A CAR!

600 miles is a long drive inside a car
700 miles is a long drive inside a car
800 miles is a long drive inside a car
900 miles is a long long long long ways in a car
1000 miles is a LONG DRIVE INSIDE A CAR!
1100 miles is too far inside a car

I wrote my name on the sun
Hey alright I might be goddamned!
A life of arctic sounds
Hey alright I might be goddamned!
All the sad comedians
Hey alright i might be goddamned!

I might be...
Goddamned!
