you read a lot into it  
i never even flipped right through it  
so what'cha gonna do with  
all this stuff thats scribbled to it  
you say "theres nothin new"  
and oh my god that might be true  
but what'cha think youre gonna do  
thats worthwhile when theres nothin new  
oh my god, i cant see  
but it takes half as much as it used to for me  
oh my god, i cant see  
but it means half as much as it used to to me  
you read a lot into it  
oh my god that might be true  
and what'cha think youre gonna do  
with yourself when theres nothin for you  
oh my god, i can see  
that it takes half as much as it used to for me  
you say "theres nothin new"  
and oh my god that might be true  
but what'cha think youre gonna do

thats worthwhile when theres nothin new  
you read a lot into it  
i never even flipped right through it  
so what'cha gonna do with  
all this stuff thats scribbled to you  
oh my god, i can see  
that it means half as much as it used to for me  
you read a lot into  
whats spoken word and spoke anew  
cause thats what'cha think your gonna do  
when second-hand's got second-hand dues  
oh my god, i cant eat  
and it means half as much as it used to to me  
you say "theres nothin new"  
and oh my god that might be true  
so what'cha think youre gonna do  
with yourself when theres nothin new for you  
oh my god, i can see  
that it takes half as much as it used to for me
