These walls are paper thin
And everyone hears every little
Everyone's a voyeurist, they're watching me
Watch them, watch me right now

They're shakin' hands, they're shakin' in their shoes
Oh Lord, don't shake me down
Everyone wants two of them
Since half of everyone else who's around

It's been agreed, the whole world stinks
So no one's taking showers anymore

Laugh hard it's a long ways to the bank
I can't be blamed for nothin' anymore
It's been a long time since you've been around
Laugh hard it's long ways to the bank

Tow the line to tax the time, you know
That you don't owe
I can't be a fool for everyone
That I don't know

These walls are paper thin
And everyone hears every little sound
Everyone is a voyeurist, they're watching me
Watch them, watch me right now

It's been agreed and it's been disagreed
[Incomprehensible]
They're shakin' hands, they're shakin' in their shoes
Oh Lord, don't shake me down
Everyone wants two of them
Since half of everyone else who's around

So no one's taking showers anymore
Laugh hard it's long ways to the bank

Tow the line to tax the time, you know
That you don't owe
I can't be a fool for everyone
That I don't know
