The parasites are excited when you're dead
Eyes bulging entering your head
and all your thoughts yeah they rot
God And Satan they gamble when you're dead
beams of light one's sprite the other's bourban instead
and all your thoughts yeah they rot
it Was hot and time was sticking to my skin
we're all the punch lines of the jokes they wont let us in
on
and all your thoughts yeah they rot
Parasites will be excited when you're dead
Eyes bulging entering in your head
and all your thoughts yeah they rot

God And Satan thay gamble when yer dead
Beams of light one sprite the others bourban instead
and all your thoughts yeah they rot
it Was hot and time was sticking to my skin
we're all the punch lines of the jokes they won't let us in
on
and all your thoughts yeah they rot
