Wake-up we're stealing cars

1996, 1997, 1998 we're all waiting for the year 2000
Just the smell on the summer can make me fall in love
Just the smell on the summer can make me fall in love

We go to the parties, listen to the DJ's
dance dance dance and go crazy
dance dance dance and go crazy

We go to the parties, listen to the DJ's
dance dance dance and go crazy
dance dance dance and go crazy

(damn, who's paging me now)

She's a party queen, and she's in party heaven
her clock is stuck on late
got a first name basis at 7-11

We go to the parties, listen to the DJ's
dance dance dance and go crazy
dance dance dance and go crazy

Just the smell on the summer can make me fall in love
Just the smell on the summer can make me fall in love

Hold the slip slide, taste the sweat it's salty
irrigation ditch and a swimming hole
nation-wide loved the movie

Just the smell on the summer can make me fall in love
Just the smell on the summer can make me fall in love
