Eating snow flakes with plastic forks
And a paper plate of course, you think of everything
Short love with a long divorce and a couple of kids of
course
They don't mean anything

Live in trailers with no class
Goddamn I hope I can pass, high school means
nothing
Taking heartache with hard work
Goddamn I am such a jerk, I can't do anything

And I shout that you're all fakes
And you should have seen the look on your face
And I guess that's what it takes
When comparing your bellyaches

And it's been a long time
Which agrees with this watch of mine
And I know that I miss you
And I'm sorry if I dissed you
Eating snow flakes with plastic forks
And a paper plate of course, you think of everything
Short love with a long divorce and a couple of kids of
course
They don't mean anything

Live in trailers with no class
Goddamn I hope I can pass, high school means
nothing
Taking heartache with hard work
Goddamn I am such a jerk, I can't do anything

And I shout that you're all fakes
And you should have seen the look on your face
And I guess that's what it takes
When comparing your bellyaches

And it's been a long time
Which agrees with this watch of mine
And I guess that I miss you
And I'm sorry if I dissed you
