Hey, Haven't seen you around in awhile

I didn't go to work for a month
I didn't leave my bed for eight days straight
I haven't hung out with anyone
And if I did, I'd have nothing to say

I didn't feel angry or depressed
I didn't feel anything at all
I didn't want to go to bed
And I didn't want to stay up late

When you're not here, and you're back there
that's the price you'll pay

Whenever I breath out, you'll breath in (negative)
And whenever I breath out, you'll be taking it all in
Whenever I breath out, you'll breath in (negative)
And whenever I breath out, you'll be taking it all in

You're breathing positive, negative, positive, negative
I'm breathing positive, negative, positive, negative

Whenever I breath out, you'll breath in (negative)
And whenever I breath out, you'll be taking it all in
Whenever I breath out, you'll breath in (negative)
And whenever I breath out, you'll be taking it all in

I didn't go to work for a month
I didn't leave my bed for eight days straight
I haven't hung out with anyone
And if I did, I'd have nothing to say
