Hey, haven't seen you around in a while [x4]  
I didn't go to work for a month  
I didn't leave my bed for eight days straight  
I haven't hung out with anyone  
'Cause if I did, I'd have nothing to say  
I didn't feel angry or depressed  
I didn't feel anything at all  
I didn't want to go to bed  
And I didn't want to stay up late  
When you're living your life, well, that's the price you  
pay  
Whenever I breathe out, you're breathing it in  
Whenever I speak out, you're speaking out  
I didn't go to work for a month  
I didn't leave my bed for eight days straight  
I haven't hung out with anyone  
'Cause if I did, I'd have nothing to say
