Everywhere, everywhere, everywhere
Everywhere, everywhere, everywhere
Everywhere, everywhere, everywhere

It's all so plain, it's all a plan
It's all so plain for everyone
The sky doesn't ever end
The air just gets much thinner further up
You could keep diggin' down and down
A thousand graves down
Without turnin' around or finding hell
You find you're digging up again

Everywhere
Willful suspension of disbelief

Everywhere
Willful suspension of disbelief
