You were right im hangin round because
Light and sound wont seperate us from them
You were right im underground because
Slight of hand cant seperate your body from the dirt
you're standing on
Today
You're the good things yeah thats you...
You're the icing on the cake (on the table at my wake)
You're the flowers in my house (when my allergies
come out)
You're the extra cash (on my sinking life raft)
You're the loud sound of fun (when im trying to sleep)
