I'm rockin your body from london to tokyo
Take that mini skirt and tank top and throw it on the
flow
I'm rocking yo body from midnight all da way to noon
We'll be making love maha baham baby june

Stay by me lay by me till my clock hit noon
Moove on me groove on me baby joon
I saw you I called you
9 weeks after april fools

Started on the neck then went down down down
Ushers first cd playing in the back round
Drinking on crystal with the juice juice juice
Lets find out what we did tonight tomorow on the news

I'm rockin your body from london to tokyo
Take that mini skirt and tank top and throw it on the
flow
I'm rocking yo body from midnight all da way to noon
We'll be making love maha baham baby june

Started on the neck then went down down down
Poping bottles of lou 13 until we drown
She's dropping that thing real low low low
Shawtys fire burning on the dance floor

Baby girl did I let you know that you my heart and your
my soul
Your favorite song is smash your hotter then kim
kardash

Before she got handcuffed to my bed
These are the magic words that I said

I'm rockin your body from london to tokyo
Take that mini skirt and tank top and throw it on the
flow
I'm rocking your body from midnight all da way to noon
We'll be making love maha baham baby june

Girl what's the password if you give me that word

You will get channel purses until yo back hurt
Turn me on reboot my system send me to space baby
push ignition

Shawty did I let you know that I never wana let you go
Rocking just a pair of socks your hotter then megan fox

See abla espaniyol
Don't talk senorita just get in da lambo

I'm rockin your body from london to tokyo
Take that mini skirt and tank top and throw it on the
flow
I'm rocking your body from midnight all da way to noon
We'll be making love maha baham baby june
