"Don't Walk Away"

Look in my eyes and let the moment begin
You make me feel like I can do anything
One look from you just sends my troubles away
What I would do, to be with you

Chorus

Don't walk away
Why don't you stay
I've been waiting for somebody like you
Please don't walk away
Why won't you say
That you're ready and you're feelin' it too
Cause if it's love...
If it's love...
Then don't walk away

I wanna show you I've got nothing to hide
Don't be afraid of what you're feeling inside
Deep in my heart there is nobody but you
What I would do, to be with you

Chorus
