I'd give you anything everything  
If you would be mine  
I'd give the stars above and all my love

\* How can you be so blind, so blind  
I'm going out of my mind  
All the time for you  
Yes it's true

Refr.  
If you only knew that I'm crazy for you  
Then you'll understand  
If I only knew what's you're goin' through  
Then I'll understand

Now I know that I have no chance  
Oh... to make your mine  
But if I own the world  
Would you be my girl

Back to \* then refr. (repeat twice)  
Then refr.
