Take a slide
Take a slide
Into sinful excess
Take a slide
You can drink
To forget
With amazing success
I've always said
You should beware
Of charming men
With perfect hair
Now that I'm gone
The time has come
To hitch a ride to the shimmering city
Where a sinful excess is ready and waiting
You hitch a ride to the shimmering city
And a sinful excess is ready and waiting
You hitch a ride
You hitch a ride
You hitch a ride
Take a slide
Take a slide
Into sinful excess
Take a slide
You can drink
To forget
With amazing success
One is holy
Two is permitted
Three is forbidden
And four is a lot of fun
But I know you
You'll want another one
You hitch a ride to the shimmering city
And a sinful excess is ready and waiting
You hitch a ride to the shimmering city
And a sinful excess is ready and waiting
Take a slide
Take a slide
Into sinful excess
Look at you now
Such a success

You've always known
You would be blessed
Take what you want
Forget the rest
You hitch a ride to the shimmering city
And a sinful excess is ready and waiting
You take a slide into the shimmering city
Where a sinful excess is ready and waiting
You hitch a ride to the shimmering city
And a sinful excess is ready and waiting
You hitch a ride
Slide
You hitch a ride
Slide
To hitch a ride
