She's running  
And he's walking behind  
He's trying  
But he's last in her line  
His love's dying but he keeps on tryin he lives in fear  
with a love that's clear  
(he's walking behind)  
He's got love that he needs to give but she's afraid to  
let him in

#### CHORUS

To her world with no together  
She can't see him in her picture  
She wants love but her heart won't let her let him in  
He's walking behind  
He's walking behind

The phone's ringin  
Is it her on the line?  
Does he answer  
Or is he wasting his time?  
Her loves dying but she keeps on trying she lives in  
fear of a love that's clear  
(She's walking behind)  
She's got love that she needs to give but he's afraid to  
let her in

#### CHORUS

To his world with no together  
He can't see her in his picture  
He wants love but his heart won't let him let her in  
She's walkin behind  
Yeah

They've got a love to give  
But they're afraid to let it in  
She's got a love to give  
And he's got a love to give  
So let em in  
Yeah

In a world with no together  
She can't see him in her picture  
She wants love so let him in  
To his world with no together  
He can't see her in his picture  
He wants love but his heart won't let him let her in

He's walking behind  
She's walking behind
