Agony is born of desire  
What do you want for nothing?  
Agony is born is desire  
That's what you get for wanting  
I'm sick of futile lessons  
And empty information  
My teachers ask me questions  
I need some consolation  
That's what you get for wanting  
That's what you get for wanting  
Agony is born of desire  
What do you want for nothing?  
Agony is born is desire  
That's what you get for wanting

What do you want for nothing?  
Agony is born is desire  
That's what you get for wanting  
Agony is born of desire  
What do you want for nothing?  
Agony is born is desire  
That's what you get for wanting  
I'm sick of vain compassion  
And saying "liberation"  
The angels ask me questions  
I can't find consolation  
That's what you get for wanting  
That's what you get for wanting  
Agony is born of desire  
What do you want for nothing?  
Agony is born is desire  
That's what you get for wanting  
I've spend my whole life yearning
