We're off to the rodeo  
To watch the cowboy show  
The thing that makes them different  
Than what we've grown to know  
'cause they'll take their knocks  
And get back up and try all over again  
The cowboy's worst enemy  
Is also his best friend

There's monster trucks and broncin' bucks  
And mean old brahma bulls  
Calf ropin', hog tying  
And chuck wagon pulls  
He's got pretty girls by his side  
Everywhere he goes  
Cowboy stuff ain't all that bad  
Only during the show

We're off to the rodeo  
To watch the cowboy show  
The thing that makes them different  
Than what we've grown to know  
'cause they'll take their knocks  
And get back up and try all over again  
The cowboy's worst enemy  
Is also his best friend

Well, the days are long on the summer tour  
They never seem to end  
Cowboy's always waitin'  
For his hurts to mend  
There is special days every now and then  
He rides the pain away  
With twists and bends he whups his friends  
And takes home the pay

We're off to the rodeo  
To watch the cowboy show  
The thing that makes them different  
Than what we've grown to know  
'cause they'll take their knocks

And get back up and try all over again  
The cowboy's worst enemy  
Is also his best friend
