Wake up at six
To watch the news
I feel so low
Don't know what to do

Slip on my shoes
Slick back my hair
I feel so bare
Without you
Without you

Step out the door
To greet the night
Without my love
To drown the noise

Light up a smoke
My lungs fill up
I'm so abused
Without you
Without you

chours
You make me feel
Like anything is possible
When I'm inside of you
I'm inside of you

Slip on the bus
To a shoulder rub
I catch her eyes
She's completely drunk
She licks her lip
Pulls back her dress
And says "I'm yours"
How about now?
How about now?

chours

When I'm lost

Inside the world
You're so naive
To control
I try so hard
Still I'm cold
Still I'm cold

chours

You make me feel
You make me feel
You make me feel
