"Girl Of My Dreams"

You are the girl of my dreams In my heart, I believe
You are the girl of my dreams, baby
Of my dreams
All alone, in my room
Wishing that you were here
Without you, in my arms I'm holding back all of the
tears
Without you in my life I'll never be satisfied
Sometimes I feel I could have been better to you
All I wasnt is a chance
To prove that my love is true
Without you in my life I'll never be satisfied
Baby let's go back in time
To when our hearts would shine
And I could hold you tight In my dreams at night
{Chorus(Repeat 3 times)}
