"If You Only Knew"

Visit "[If You Only Knew](#)" on MotoLyrics.com

I give you anything everything
If you would be mine
I give you stars above and all my love

* How can you be so blind, so blind
I'm going up my mind
All the time for you
Yes it's true

Refr. If you only knew that I'm crazy for you
Then you'll understand
If I only knew what's you're goin' through
Then I'll understand

Now I know that I have no chance
Oh... to make your mind
But if I own the world
Would you be my girl

Back to * then refr. (repeat twice)
Then refr.
