Say it to my heart
You just cut me like a knife,
Staring often love in the night.
Now I see what you had to say
Looking for a way to make time pass you by,
And then be still.
Baby, baby come back to me
I hold the chains you hold the key,
Oh without your love
Will I ever be free? (ever be free)
Baby come back to me.

Speed up tune,
Seize the pain.
The mind may steer you wrong
Bored of the same.
I started out slow,
Push back the tears that lose your mind
Is my baby still?

Baby, baby come back to me
I hold the chains you hold the key,

Oh without your love
Will I ever be free? (ever be free)
Baby come back to me.
Baby come back to me.

Oh baby,
Let me hold you tight
Just one more night.
Let me show you my love is true,
Baby I need you.

Baby, baby come back to me
I hold the chains you hold the key,
Oh without your love
Will I ever be free? (ever be free)

Baby, baby come back to me
I hold the chains you hold the key,
Oh without your love

Will I ever be free? (ever be free)

Baby come back to me.

Baby come back to me.

Baby come back to me.
