Swiss girls are hip,
We like the way they wear their hair.
Spanish girls have that look,
That makes us really wanna stare.
German girls hold us tight,
And let us know that they care.
French girls dress so suave,
With all their style and flair.

They're all so great to see,
Canadian or Japanese.

Girls of the world,
Girls of the world,
Girls of the world,
We love you!

Irish girls keep smilin',
They always have a real good time.
Russian girls are sweet,
They also are soft and kind.
English girls have that sound,

The way they speak is so divine.
U.S. girls go wild,
The way they walk blows our minds.

They're all so great to see,
Australian or Portugese

Girls of the world,
Girls of the world,
Girls of the world,
We love you!

Africa, Netherlands, Philippines,
The girls of the world
Make our dreams!

Girls of the world,
Girls of the world,
Girls of the world,

We love you!

Girls of the world,
Girls of the world,
Girls of the world,
We love you!
