Isn't it funny

How times seems to slip away

So fast

One minute you're happy

The other you're sad

But if you give me one more chance

To show my love for you is true

I'll stand by your side

Your whole life through

If life is short

Why won't you let me love you

Before we run out of time

If love is so strong

Why won't you take the chance

Before our time has come

If life is so short

If life is so short

Love is a word that explains

How I feel for you

And when you're in my arms

All my dreams come true

And when you're not around
You can't hardly see
These tears that I'm crying
Now are for you to be with me
If life is short
Why won't you let me love you
Before we run out of time
If love is so strong
Why won't you take the chance
Before our time has come
If life is so short
If life is so short
