Chorus:

Saying I love you, it's the hardest thing to do  
And if I ever do, girl I'll always be true

I may not be the best,  
Looking guy you ever knew  
But I can show you love  
That will always be true  
And when your sky's turn grey  
My love will guide the way  
And if these words that I hold  
Could only be told

Chorus

And when your tears fall to the ground  
I will pick you up when your feeling down

Chorus

And when your tears fall to the ground  
I will pick you up when your feeling down

Chorus
